

## **Private Painting Lessons with George - @georgewestonart**

Hello aspiring artists! I'm really excited to now be offering private art courses in the comfort of your own space. Whether you are a complete beginner or an experienced painter, these classes will help you to not only improve upon your skills with a brush or your understanding of colour, you will also go home with one or more personalized artworks to proudly hang or gift to a loved one. Most importantly, you will learn to enjoy the process of painting, and fight the urge to get frustrated or discouraged by inevitable mistakes. Whilst I am more than happy to get technical, these are not strictly structured, academic lessons - we can play music and chat, have a coffee or wine, and get to know each other, whilst calmly pushing mushy colour around with a hairy stick. I hope you're as excited as I am to get painting!

### **Course Options and Prices:**

**2 hour classes** are ideal, allowing enough time to paint and ensuring people's schedule can work around the class times. That being said, if you would prefer to take your time or try to paint more complicated images, they can be extended to 2.5 hours for an extra \$20 per class (total).

### **Acrylic Painting:**

All courses below **will supply canvases, paints, brushes, and easels** (wine not included!).

Prices depend on the number of participants: costs per person decrease as more people get involved. The table below shows the prices with the number of participants on the far left:

#	<b><i>Two Classes: One 8x10" Canvas</i></b>		<b><i>Three Classes: One 18x24" Canvas</i></b>		<b><i>Five Classes: 8x10" and 18x24" Canvas</i></b>	
	Total Price	Per Person	Total Price	Per Person	Total Price	Per Person
2	\$400	\$200	\$460	\$230	\$620	\$310
3	\$435	\$145	\$495	\$165	\$660	\$220
4	\$480	\$120	\$540	\$135	\$700	\$175
5	\$525	\$105	\$585	\$117	\$740	\$148
6	\$570	\$95	\$630	\$105	\$780	\$130

### **Watercolour Painting:**

If you would like to work in Watercolours instead, I can happily help you with that too!

Below are some price lists and options for watercolour courses, which are slightly different to the Acrylic classes. Similarly, prices will vary depending on how many participants are in each class as shown on the far left of the table below.

Unlike Acrylic, we are able to complete one artwork per class:

We will finish **either one 6x9" card or one 9x12" painting per class.**

If you want five classes, we can spend the last **two classes on a larger 12x18" painting!**

These courses will supply **watercolour paper, watercolour paints, brushes, tape, and pens.**

You may want to **bring your own supplies**, which can lower the overall cost. If you have all of the materials above (your own paints, paper and brushes), you may **subtract \$30 per person.**
