

Private Paint Night with George @georgewestonart

Hello aspiring artists! I'm really excited to now be offering paint nights in the comfort of your own space. Whether you are a complete beginner or an experienced painter, these classes will help you to not only improve upon your skills with a brush, you will also go home with one personalized artwork to proudly hang or gift to a loved one. Most importantly, you will learn to enjoy the process of painting, and fight the urge to get frustrated or discouraged by inevitable mistakes. Whilst I am more than happy to get technical, these are not strictly structured, academic lessons - we can play music and chat, have a coffee or wine, and get to know each other, whilst calmly pushing mushy colour around with a hairy stick. I hope you're as excited as I am to get painting!

2 Hour Class Price List **One 11x14" Painting**

Number of Participants	Price Per Person
4 - 6	\$85 total: \$340 - \$510
7-9	\$75 total: \$525 - \$675
10-12	\$65 total: \$650 - \$780
13-15	\$55 total: \$715 - \$825

Prices depend on the number of participants: costs per person decrease as more people get involved, as seen in the table on the right.

Acrylic paints, canvases, brushes, and easels will all be supplied (wine not included!).

2 hour classes are ideal, allowing enough time to paint and ensuring people can fit it into their schedule. If you would prefer to take your time or try to paint more complicated images, the session can be extended to 2.5 hours for an extra \$50 per class (total).

Everyone will paint the same image with their own personal twist. A **selection of references** are available to pick from prior to class.

Location rental costs can affect the total prices.
